Your marks so for 5

l(unsigned int) = -1986

Your marks so for 10

l(const char* n) = -1235678901235678901235678901235678901235
67890123567890123567890

Your marks so for 15

a = 1986

b = 19

c = 2005

Your marks so for 20

a = 99

b = 1

c = 100

Your marks so for 25

a = 1986

b = 19

c = 37734

Your marks so for 30

a = 89977

b = 46

c = 4138942

Your marks so for 35

Factorial of 10 =

3628800

CPU time used: 0 seconds

Your marks so for 50

I will make you suffer in real exam
